Free Medicare Seminar!

Find out about the upcoming Medicare changes for 2026 and **ENJOY SNACKS OR PICK UP A WHOLE PIE** at no obligation to you!

Medicare's Annual Enrollment Period runs October 15 through December 7. You can switch health plans during that time! We will never steer or lead you to any one plan.

A&B Insurance Services are a team of local independent insurance agents who specialize in Medicare. We understand that everyone has different health and budgetary needs and one plan does not fit all. We give you the power to compare and the freedom to choose the plan that's right for YOU.

There will be NO enrollments or sales at this seminar, so leave your checkbook at home.

Here's what we will discuss before deciding on which plan is right for you:

- Enrollment Periods – Timelines, penalties, and other types of coverage
- Medicare Supplement Insurance Plans (Medigap) – what they cover
- Medicare Prescription Drug Plans (Part D) – Understanding the rules and terminology
- Medicare Advantage Plans (Part C) – An alternative plan for coordinated care
- Changes to Medicare for 2026 – see how the changes may impact you!

Choosing a Medicare plan that best fits your needs is one of the most important decisions you will make. You should be educated about all of these rules before you make these decisions. Your mail is probably stacking up with advertisements about Medicare plans.

Let's see what we can do! Join us for an event or call to request your personal appointment.

This event is for educational purposes only, no plan benefit information will be shared. Free snack or whole pie with no obligation to enroll. For accommodation of persons with special needs and meetings, call (760)519-3740, TTY 711. By calling the number above, you will be directed to a licensed insurance agent.

Join us at an educational seminar near you!

As Licensed Insurance Agents, we are here to assist you in making Medicare easy to understand. We will talk about the upcoming changes for 2026 at the location below.
