BIO

A Temecula native, Dr. Matthew Im was inspired to pursue medicine by his father, Dr. Tae Im, a longtime member of the Rancho Family Medical Group family. Medical mission trips to Haiti and the Philippines further strengthened his passion for caring for others.

Outside of medicine, Dr. Im enjoys cheering on the San Diego Padres, discovering new coffee shops and restaurants, staying active through basketball, pickleball and softball, and pursuing his passion for photography and videography.

“Dr. Im was very kind and listened to my concerns. He really took his time during the appointment and never did I feel rushed or judged.”
